Class I

Dear Children,

Month of May brought long, hot days,

And now we have our summer holidays

Summer holidays mean no to school,

Waking up late with no set rule.

Little home work, easy to be done,

Lesser studies and lots of fun.

Playing and talking and watching cartoon,

Fun continues till the end of June.

Beautiful time comes once in a year,

Summer holidays are best days ever.

So have loads of fun, play indoor games, meet relatives and friends, go out for picnics and walks in the evenings, eat lot of fruits and drink plenty of juices, splash around in the pool, watch your favourite cartoon and read stories every day.

***We have prepared your Homework in a way that makes holidays even more enjoyable for you. The fun filled activities given to you will surely be the page-turners!

Bring all that you do, make or collect, when you come back to school after the vacation.

Though we will miss you and your chatter and laughter definitely,

We wish you a **HAPPY AND HAPPENING SUMMER BREAK!**

Dear Parent

Its vacation time again! The uphill task of keeping your little ones fruitfully occupied must be the top most priority in your mind. Some interesting, innovative and creative project work has been planned for your children to enable them to widen their horizon. Kindly allow them to do the work under your guidance and supervision.

- Do visit museums and monuments with your children to help them explore and learn about the rich- culture and heritage of India. Encourage your children to observe the sign boards and note down the instructions written on them for class discussion.
- Health is wealth- Accompany your children to the neighbourhood park and encourage them for a- morning walk and simple yoga exercises.
- Setting up a routine is a must to inculcate good habits. Let your child plan his/her daily routine- for a week.
