MONTHLY E-BULLETIN

JUNE, 2024

**"All knowledge that the world has ever received
comes from the mind; the infinite library of the
universe is in our own mind." - Swami Vivekananda**

VISION OF THE SCHOOL

TECHNO INDIA GROUP PUBLIC SCHOOL NABAGRAM is a proponent of a comprehensive education that will develop each person's humanism, compassion, independence, and overall quality of life. In addition to being instructed, they also hold the view that all people are members of one large family.

The school's ethos and philosophy are prompted in a variety of ways. Our primary goal is to instill the belief that dreams are possible and to embrace and realise them and to build synergies, deliver quality education with an emphasis on all the domains of education and a special focus on life skills, employability skills, art-integrated learning, digital prowess, mental and physical health, and intellectual and moral growth.

MISSION OF THE SCHOOL

To provide affordable holistic education to the learners keeping in mind the demands of the region and the changing times. To shape and develop a youth force to achieve the SDG goals of 2030. To instill in our learners the basic human values and pride towards local, indigenous cultures and traditions with appreciation towards other diverse cultures of the country and the world thus making them true global citizens. To strive to collaborate, co-create, and work with our stakeholders to nurture an ecosystem which fosters love towards the environment, promotes 21st-century skills, use technology for ease of life, encourage research and innovation, and facilitates national and international exchange of best practices.

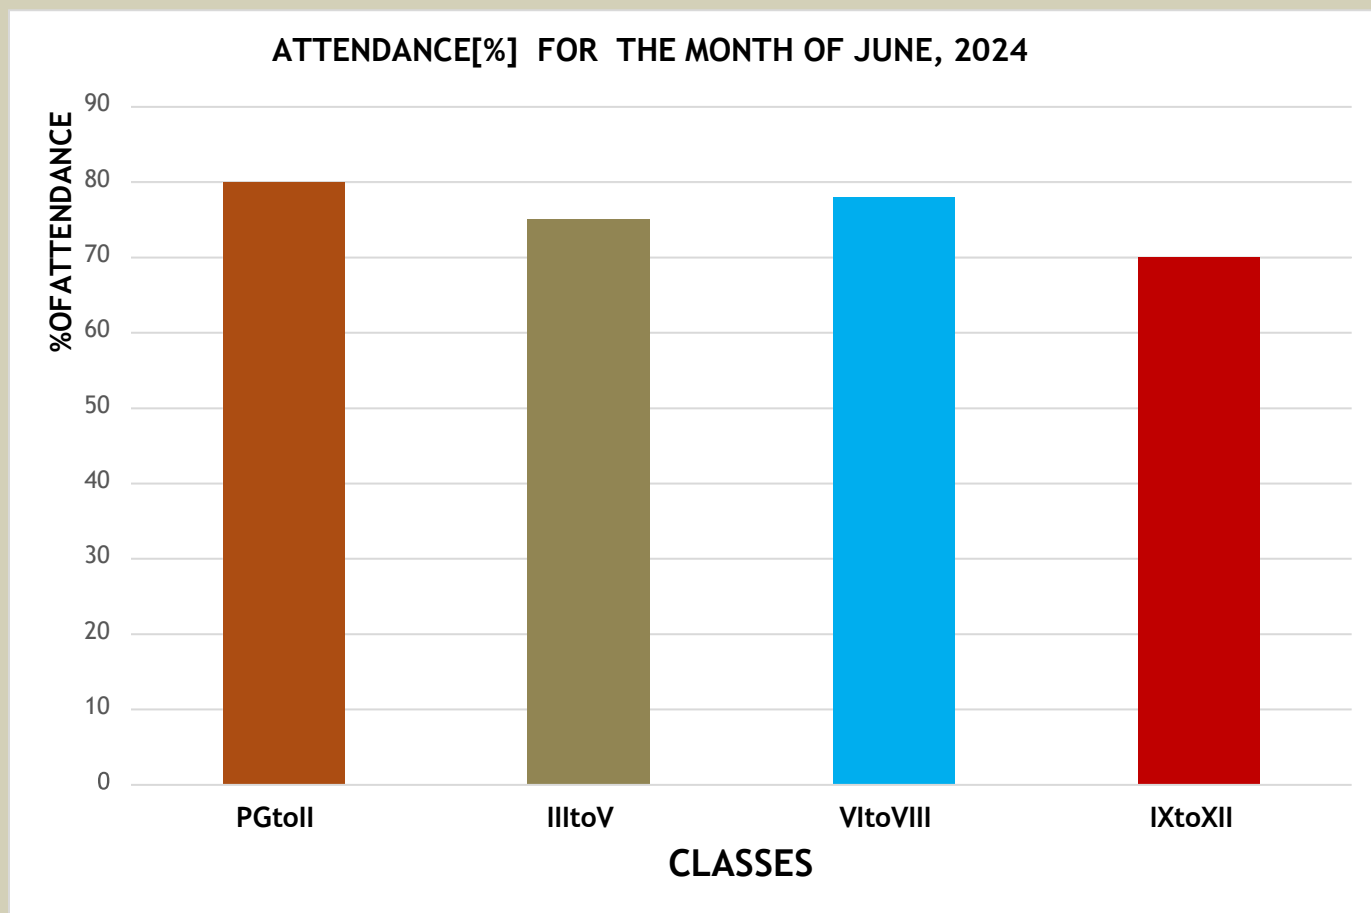

CO-CURRICULAR:A WORLD OF OPPORTUNITIES

Co-curricular activities are an integral part of any school curriculum. Every activity in school plays a significant role in development of students. They are an essential part of school life and help in enhancing learning process of students at school.

With the objective of providing the students with a holistic learning, Techno India Group Public School, Nabagram, has designed a plethora of activities merged with academics which ensures that students get to learn effectively and find exposure in an environment conducive to the development of the different 21st century skills.

Techno India Group Public School, Nabagram provides a potpourri of a colourful rainbow of events by our students under the constant motivation of our Respected Principal Sir enthused by our Co-ordinators and under the expert guidance of our teachers.

WORLD ENVIRONMENT DAY 05/06/2024

The celebration of World Environment Day at Techno India Group Public School, Nabagram aimed to raise awareness about environmental issues and promote sustainable practices among students and faculty members. The day commenced with a plantation drive within the school premises. Teachers along with the students enthusiastically participated in planting saplings of indigenous trees and plants. This activity not only beautified the school surroundings but also encouraged students to take responsibility for nurturing the environment. Various awareness programs were organized throughout the day to educate students about environmental conservation and sustainable practices.

FATHERS' DAY 14/06/2024

The celebration of Father's Day by students at Techno India Group Public School, Nabagram aimed to honour and appreciate fathers and father figures for their love, guidance, and support, while fostering a sense of community and gratitude within the school.

The day began with a special assembly program organized by the students. It included heartfelt speeches, poems, and songs dedicated to fathers. Students expressed their gratitude and admiration for their fathers, highlighting their role as role models and mentors.

Students engaged in various creative activities such as making handmade cards, posters, and personalized gifts for their fathers. These artworks showcased students' creativity and allowed them to express their love and appreciation in a meaningful way.

WORLD MUSIC DAY-21/06/2024

The celebration of World Music Day at Techno India Group Public School, Nabagram aimed to foster an appreciation for music among students and showcase musical talents through a live concert featuring Sourendra and Soumojeet along with Lopamudra Mitra, Shankar Mahadevan, Usha Uthup and other renowned artists at Netaji Indoor Stadium. The highlight of the World Music Day celebration was a mesmerizing live concert by renowned musicians Sourendra and Soumojeet at Netaji Indoor Stadium. Students and faculty members attended the concert, which featured a diverse repertoire of musical genres including classical, folk, and contemporary music. Prior to the concert, an interactive session was conducted at Techno India Group Public School where students learned about the significance of World Music Day and the cultural importance of different musical traditions. This session provided insights into the role of music in promoting cultural diversity and fostering unity. Students actively participated in the event by attending the live concert and engaging in discussions about the music performed. They had the opportunity to appreciate live performances by talented artists and experience the transformative power of music firsthand

INTERNATIONAL DAY OF YOGA-21/06/2024

On 21 June 2024, Techno India Group Public School, Nabagram, enthusiastically celebrated International Yoga Day in collaboration with Uttaran Organization. The event aimed to promote the physical, mental, and spiritual benefits of yoga among students, staff, and the community. The celebration commenced at 8:00 AM with a warm welcome extended to all participants by the school principal and representatives from Uttaran Organization. The event started with a brief introduction to the significance of International Yoga Day and its global observance. The event saw enthusiastic participation from students across all grades, teachers, and administrative staff. The serene environment of the school ground provided a perfect setting for the practice of yoga, fostering a sense of tranquility and mindfulness among the participants.

MANGO DAY-

On [28.6.24], Bal Vatika I, II, and III of Techno India Group Public School, Nabagram, celebrated Mango Day with great enthusiasm. The event aimed to educate students about the significance, varieties, nutritional value, and cultural importance of mangoes in India. The Mango Day celebration kicked off with an interactive session where teachers and invited guests introduced students to the history and cultural significance of mangoes. Students learned about the various types of mangoes grown in different regions of India, including their unique flavours and characteristics. Students had the opportunity to taste different varieties of mangoes, such as Alphonso, Dasher, Langra, and Totapuri. They learned to differentiate between the sweetness, tanginess, and texture of each type. They learned about different mango products. Students participated in art and craft activities, creating mango-themed artworks using colors, papers, and other craft materials. They dressed up like mangoes as well. The Mango Day celebration exemplified the school's commitment to providing comprehensive and engaging educational experiences that go beyond textbooks, enriching students' learning journey through practical and enjoyable activities.

TEACHERS TRAINING SESSION-03/06/2024 TO 08/06/2024

From 3rd June 2024 to 8th June 2024, Techno India Group Public School, Nabagram, conducted a comprehensive week-long teacher training program aimed at enhancing professional development and equipping educators with advanced pedagogical skills. The training sessions covered a diverse range of topics crucial for modern teaching practices and educational methodologies.

Sessions and Topics Covered:

1. **Value Education** by Dr. Amrita Jyoti Sindhu from Faridabad and Dr. Jayant Chowdhuri from Ayodhya:
 - The session focused on integrating values such as honesty, empathy, and respect into classroom teaching to nurture ethical and responsible citizens.
2. **Life Skills (Advanced)** by Swami Kamalasthananda from Ramkrishna Mission Rahara CBSE Resource Person:
 - Educators were trained in advanced life skills education techniques aimed at preparing students for challenges beyond academics, including critical thinking, decision-making, and stress management.
3. **Active Learning** by Indrani Bhattachatya & Dr Ramesh Kumar Agarwal:
 - The session emphasized interactive and participatory learning methods to engage students actively in the learning process, enhancing retention and understanding.
4. **Inclusive Education** by Barnali Jana CBSE Resource Person :
 - Educators learned strategies and approaches to create inclusive classroom environments that cater to the diverse learning needs of all students, including those with disabilities and special educational needs.
5. **Use of AI in Classroom** by Mainak Mukherjee from Kolkata:
 - Teachers were introduced to the application of Artificial Intelligence (AI) tools and technologies to enhance teaching effectiveness, personalize learning experiences, and analyze student performance data.
6. **NCF-FS and Storytelling Pedagogy (Balvatika and Jadui Pitara)** by Dr. Sapna Agarwal from Kota:
 - The session explored the National Curriculum Framework (NCF) for Early Childhood Education (FS) and innovative storytelling techniques to foster imagination, creativity, and language development among young learners.
7. **Sports Integration and Toy Pedagogy** by Dr. KVS Prakash form Tirupati:
 - Educators were trained in integrating sports and toys into the curriculum to promote physical fitness, teamwork, and cognitive development among students through play-based learning approaches.

The teacher training conducted at Techno India Group Public School, Nabagram, was a significant step towards continuous professional development and innovation in education. It equipped educators with modern teaching methodologies and skills necessary to meet the evolving needs of students in a rapidly changing educational landscape. The school administration expressed gratitude to all the trainers and participants for their active participation and commitment to excellence in education.
