MONTHLY E-BULLETIN

JANUARY, 2025

"Victory or defeat is not important, but the fight itself is everything"

- Netaji Subhash Chandra Bose

VISION OF THE SCHOOL

TECHNO INDIA GROUP PUBLIC SCHOOL, NABAGRAM is a proponent of a comprehensive education that will develop each person's humanism, compassion, independence, and overall quality of life. In addition to being instructed, they also hold the view that all people are members of one large family.

The school's ethos and philosophy are prompted in a variety of ways. Our primary goal is to instill the belief that dreams are possible and to embrace and realise them and to build synergies, deliver quality education with an emphasis on all the domains of education and a special focus on life skills, employability skills, art-integrated learning, digital prowess, mental and physical health, and intellectual and moral growth.

MISSION OF THE SCHOOL

To provide affordable holistic education to the learners keeping in mind the demands of the region and the changing times. To shape and develop a youth force to achieve the SDG goals of 2030. To instill in our learners the basic human values and pride towards local, indigenous cultures and traditions with appreciation towards other diverse cultures of the country and the world thus making them true global citizens. To strive to collaborate, co-create, and work with our stake holders to nurture an ecosystem which fosters love towards the environment, promotes 21st- century skills, use of technology to ease life, encourages research and innovation, and facilitates national and international exchange of best practices.

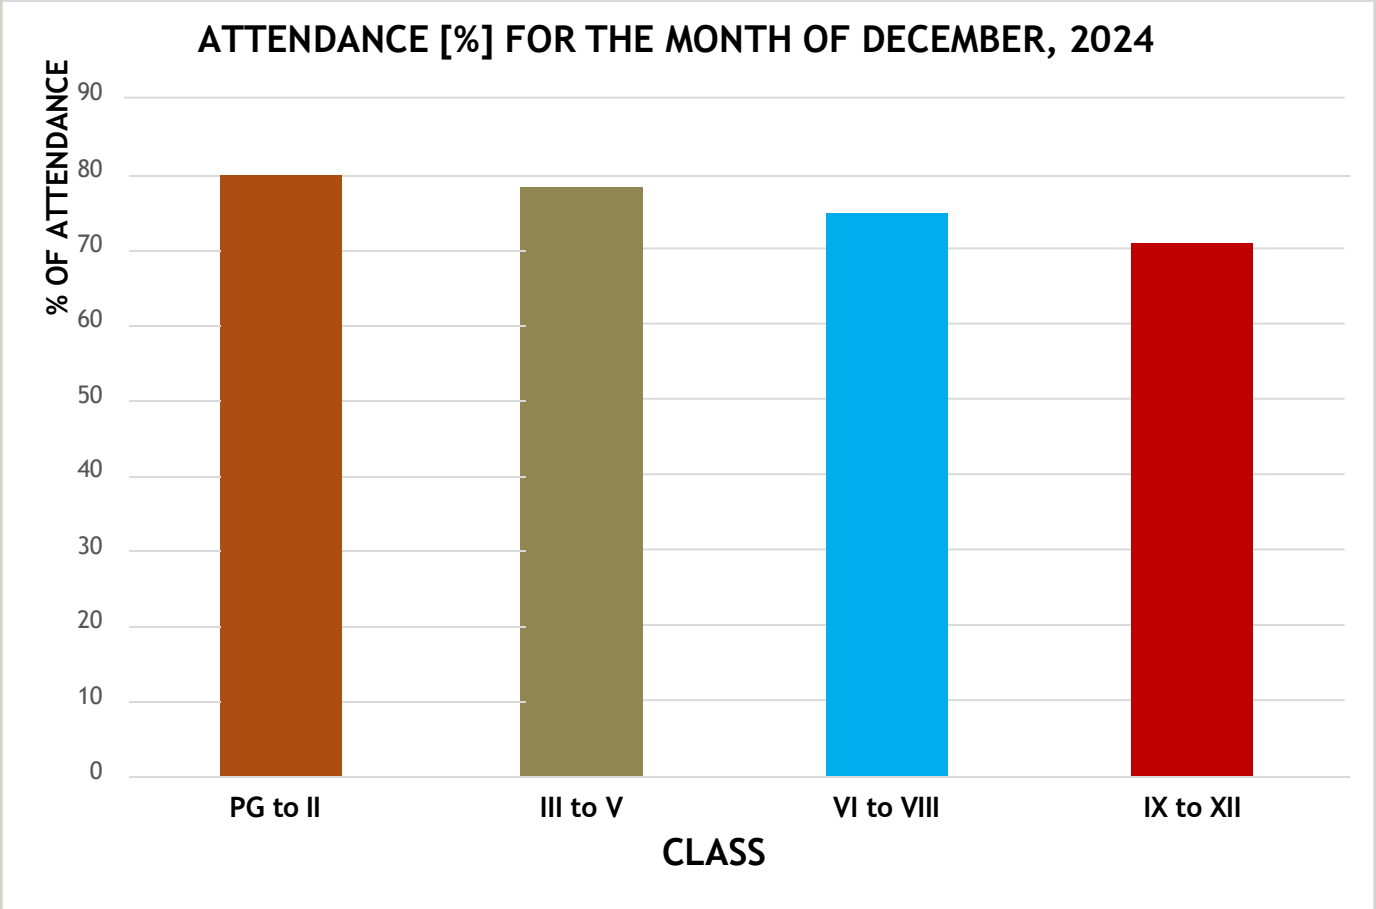

CO-CURRICULAR : A WORLD OF OPPORTUNITIES

Co-curricular activities are an integral part of any school curriculum. Every activity in school plays a significant role in development of students. They are an essential part of school life and help in enhancing learning process of students at school.

With the objective of providing the students with a holistic learning, Techno India Group Public School, Nabagram, has designed a plethora of activities merged with academics which ensures that students get to learn effectively and find exposure in an environment conducive to the development of the different 21st century skills.

Techno India Group Public School, Nabagram provides a potpourri of a colourful rainbow of events by our students under the constant motivation of our Respected Principal Sir enthused by our coordinators and under the expert guidance of our teachers.

6.	Federation Cup	Class - V, VII, VIII, IX	28/12/2024 & 29/12/2024

WORLD COMPUTER LITERACY DAY CELEBRATION - 2/12/2024

World Computer Literacy Day is celebrated on December 2nd each year to raise awareness about the importance of digital literacy and to encourage the use of technology for education and empowerment. The day highlights the role of computers in modern society, aiming to bridge the digital divide and provide individuals, especially in underserved communities, with the skills necessary to succeed in an increasingly digital world. It promotes access to technology and fosters initiatives that enable learning and development through digital tools.

EXCURSION TO RAIL MUSEUM 2/12/24

Techno India Group Public School, Nabagram, is always committed to providing holistic learning experiences for our students. On 2nd December 2024, we organized an exciting educational trip for our Grade 1 and 2 students to the Railway Museum, Howrah.

The Railway Museum offered a unique opportunity for our young learners to explore and witness the fascinating history and development of Indian Railways through a vast collection of exhibits. Our students were captivated by the diverse displays, helping them understand the significance of railways in India's journey.

WORLD DISABILITY DAY -3/12/24

World Disability Day, also known as the International Day of Persons with Disabilities, is observed on December 3 each year. It was proclaimed by the United Nations in 1992 to promote the rights and well-being of people with disabilities in all aspects of society. The day aims to raise awareness about the challenges faced by individuals with disabilities and highlight the importance of creating an inclusive and accessible world.

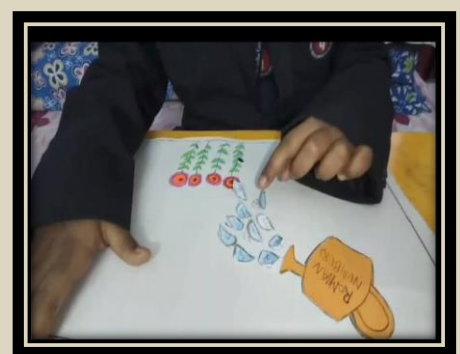

WORLD MATHEMATICS DAY

This special day marks the birth anniversary of the legendary mathematician Dr. Srinivasa Ramanujan, whose contributions to mathematics continue to inspire us all. Our students participated in numerous activities, including math quizzes, puzzles, and interactive discussions, to deepen their understanding of the subject. 💡🌟

We believe that mathematics is not just about numbers, but also about problem-solving, creativity, and logical thinking that shape the world around us. Our young mathematicians showcased their talent, enthusiasm, and love for this amazing subject today! 🎨🧠

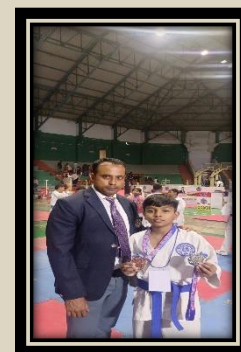

Let's continue to explore the wonders of mathematics and keep pushing the boundaries of knowledge

FEDERATION CUP - 28/12/24 & 29/12/24

The Federation Cup Karate Championship held in Varanasi (Hindu University) on 28th and 29th December recently was a highly anticipated event. The competition, which took place at a well-equipped venue in the heart of the city, saw intense participation in all categories. The event provided a platform for the students to showcase their skills and compete at next level. The participants were judged by an esteemed panel of national-level referees, ensuring a fair and transparent selection process.

1. Aradhya Singh 1 silver in kata 1 bronze in kumite class 7
2. Arkin pal 1 silver in kata 1 Bronze in kumite class 5

4. Diya Roy- 1 Gold in kata class 9
5. Atmadeep Kole- 1 Gold in kata 1 Bronze in kumite class 8
6. Aadriti das- 1 Bronze in kata class 8

WINTER FIESTA MAGIC - 23/12/24

On 28th November 2024, Techno India Group Public School, Nabagram, organized an enriching educational trip for our Class 10 students to the Archaeological Museum. The excursion provided an exciting opportunity for students to delve into the fascinating world of history and archaeology. The students explored the museum's diverse exhibits, gaining valuable insights into ancient civilizations, artifacts, and the evolution of human culture. This hands-on learning experience enhanced their knowledge beyond textbooks, fostering a deeper appreciation for history and heritage. We are grateful to the teachers and staff for making this trip possible, and to the students for their enthusiastic participation. It was a memorable day of learning and discovery! 🌍 📖
